JUMP BUG™

Jump-Bug™
Trademark of Rock-Ola Mfg. Corp.

For a big jump in video profits anytime...anyplace.

1. Jump from roof to roof, cloud to cloud collecting moneybags for points. Fight "jokers," pursuers and other aliens. Win bonus car and extra points for skillful performance.

2. If you make it through the city, you're in the plains. Get more moneybags but watch out for jokers, aliens and rocks.

3. Now comes the world of volcanos. Collect more money and diamonds but avoid jokers, aliens and volcanic eruptions.

4. Bounce from level to level in Pyramid. Fight skulls, bats and ghosts for points, too. Be a pro and catch water geyser. Exit into...

5. Volcano world again. Get more points and fight more aliens until you get to Sea World.

6. Fantastic! Your car becomes a sub. Look out for dangerous jelly fish, birds which drop depth charges and whales firing attacking fish.

7. A launch pad lifts you into space. Bounce from cloud to cloud. Engage in rocket battles while collecting more moneybags.

8. Finally, JUMP BUG lands on runway completing game. Start again at progressively more difficult levels.
